

Healthy Hospitals. Healthy Communities.

Vernon Memorial Healthcare's impact on the community.

Vernon Memorial Healthcare provides access to vital health care services 24 hours a day, seven days a week, 365 days a year. In addition to providing quality health care, Vernon Memorial Healthcare also contributes to the local economy through the people we directly employ, the goods and services we purchase and the taxes we pay. Vernon Memorial Healthcare supports other local businesses through “multiplier effects” that are generated in three ways:

- The hospital's purchases create industry revenues for local businesses and “indirect” jobs and income for their employees.
- Employee purchases generate “induced” income and jobs for other businesses in the community.
- Wages and salaries are subject to federal, state and local taxes.
